## Year 7 B-House Assembly

Our assembly this year was about cliques. We had a clique fashion show with 4 presenters and 4 cliques: the 'chavs', 'barbies', 'geeks' and 'emos'. First were the barbies with their over obsessive attitude to manicures, then the head banging emos, then the chavs with their babies and 'Soulja Boy' dance, then the geeks with their catchphrase; "have you got that new multi-faceted protractor?" and finally the loner. The moral of the assembly was to join together and not separate. All of year 7B and our sixth form reps worked really hard writing and organising. We really enjoyed making and performing it and I'm sure everyone will agree that the highlight was when the chavs dropped their babies and went into their dance.

## 8B Valentines Love Hearts

In the last week of the half-term 8B made gingerbread love hearts to send to DC or JAGS. The event was extremely popular and we managed to sell about 200 love hearts. On the morning of the 6<sup>th</sup> of February, 8B's classroom was thrown into chaos as we struggled to write and attach all the tags to the love hearts. The love hearts were then organised into boxes and sent off to the appropriate school (our sixth-formers delivered them). It was a hectic but immensely fun time and everyone enjoyed the charity event. We'd also like to thank Rebecca Howard as she managed to make over 100 gingerbread love hearts.

*The pictures above are taken from the year 7's assembly the one on the left shows the 'chav' clique and the one on the right depicts the 'barbies'.*

## 10B's Charity Event

Our charity event was a cake sale and a showing of "Bring it on". It was really fun, the cakes were delicious and the film was great. We all really enjoyed ourselves. We eventually raised well over £100, which will go towards our charity, Children with Leukaemia.
