

Clarke House

Latest Clarke House News:

After a fantastic year for Clarke House we are all sad to wave goodbye to our wonderful House Captains Lottie-Daisy Francis and Izzy Warby. Clarke is as close to winning the house cup as they have ever been and we've all had tons of fun. Me and Katie are hoping that we can live up to their great C house legacy and finally clutch that cup at the end of 2009! We'd personally like to thank them both for being so supportive of their house members and say that we'll miss their bubbly personalities on what would be a grim Friday morning.

We have also got so much talent in C House; and because of this we have chosen a saying for the house: "**ACTION IS THE FOUNDATIONAL KEY TO ALL SUCCESS**"-Pablo Picasso, which our house is going to stick to win the house cup!

What's been happening already:

It's been hard work for all the Clarkites this year but we've had some laughs along the way. We managed to win the group section of Senior House music with a hilarious performance of Thriller from the year 12's, moon walking and all! We've also had some very successful charity events, Year 8's cake sale raise over £250 in one day! Well done to all your efforts, it was well organised and the girls home baked cakes were delicious. In C house we split the money we raise between two charities, **Wandsworth Women's Aid** and **International China Concern**. Both charities were put forward by Clarke House girls. WWAid offers support to women and children experiencing domestic violence and helps them to find permanent safe settlement. Our other charity ICC works mainly with disabled orphans in China, aiming to improve their lives by giving them love and support in desperate times of need.

What's Coming Up?:

Me and Flora have dreamt of being House Captains for a long time and this year we are determined to win!!! What does the future hold for C house I hear you ask? Apart from a large shiny cup hopefully, you can expect charity events such as Teacher's Blind Date, Inter school challenges and for the younger girls, the return of the school disco! Pull that face then, but you know they were AMAZING! However more pressingly we're both looking forward to spending some time getting to know you all better on founder's day when we'll be rounding off the year with action packed games and activities such as egg and spoon races in the gardens (pictured).

Just a note to say:

Thank you to all of C House for voting us as your new House Captains and for all the year 12 reps who did a great job this year making green the colour to be! Have a fantastic holiday and enjoy the sun, see you all next year for fun, games and lots of charity fundraisers!

Katie Rose & Flora Laven-Morris
