

Holst has been extremely busy this year organising successful charity events to raise money for the:

CWQC

Children With AIDS Charity
Supporting families infected and affected by HIV/AIDS

We have raised roughly £700 and we would like to say thank you and well done to everyone who has worked so hard!

9H sold candy canes, appropriately at Christmas time which were sent by friends (and admirers) to Dulwich College, Alleyn's and JAGS. Recently 10H successfully raised over £250 with their original "teacher Mexican tennis match" and refreshments sold included cake, krispy kremes and strawberries and cream.

7H wowed us with their culinary skills and imagination by selling a very sweet cookbook and organising a cake sale. 8H raised over a hundred pounds selling raffle tickets with prizes including vouchers for restaurants and shops and the top prize was an iPod!

newsletter

Not only has Holst performed superbly in their charity events, but also in their imaginative house assemblies! This year we had a strange but wonderful "freak show" where the year 9 girls shared weird facts and their crazy talents with the house and informative assemblies about Valentine's Day and Christmas not forgetting the Halloween assembly which also turned into an exciting science lesson!

In other news the titles of "House Captain" have been handed down to Katie Lawton and Kiki Winter. "We hope to keep Holst super and raise even more money next year!" The whole house thanks Hannah and Caroline so much for their outstanding hard work, excitement and enthusiasm they shared with the rest of Holst!
