

In 2008-2009 an Open Dance Class will be on offer to all students in the Dance Studio on Wednesdays after school between 4 and 5pm. Each student can take part in a free taster session and if interested commit to attend regularly for the term with our teacher, Mrs. McCleave.

Mrs. McCleave has extensive performance experience in dance and musical theatre, having trained at the Arts Educational Schools and the Royal Academy of Dance. Her stylish, inventive choreography has contributed to a range of musicals from 'Grease' to the 'Wizard of Oz' and most recently she created some interesting work with our pupils in the JAGS Senior production, Love of the Nightingale. She is rigorous in her approach, as well as enormous fun; having been Head of Dance at Aylwin Girls' School and Emmanuel School, she understands fully the essential dynamics for a successful dance programme. Everyone involved should gain polished dance skills from the experience, and enjoy working with pupils of all ages.
