

2011-2012

SPRING UPDATE – January 2012

This is a checklist of important dates for all girls studying Drama and Theatre Studies at GCSE and A Level. We want you all to get involved as much as possible in all the events and activities that will be taking place. Even where it does not directly affect your year group, please do come along and support performance work/open workshops, which involve others in the department. Write the important dates in your diaries now to avoid potential clashes. This is a starting point – more dates will be added – watch this space...
