

French AS at JAGS

On Monday 10th March, the French department organised various language-related games and activities for 20, Yr 11 and Yr 12 girls studying French AS and their peers from Dulwich College.

Five mixed teams participated in five language activities (they played the word-guessing game taboo, dubbed a movie, practised famous tongue twisters, improvised a speech and had to recognise twenty famous French politicians, authors or athletes).

They all enjoyed themselves and competed to the last minute but finally *Alex Butterworth, Alicia Manley, Kitty Kent* and *Julia Wedmore* as well as Ben Firth and Kevin Lindsay from Dulwich College won.
