The JAGS Art Fair will be the inaugural fund-raising event for the new Community Music Centre. A private view will launch the event on the evening of Friday 21 November 2008 and will be then open to the public on the Saturday and Sunday.

The Fair consists of two distinct parts:

Local and JAGS-connected artists stalls

Over 30 local and JAGS-connected artists will be selling their artworks and/or opportunities to commission unique works. Prices will range from £50 - £5000 and 25% of all sales will be donated to the James Allen's Community Music Centre fund.

A list of artists and gallery of work available will be available soon.

Online auction of donated works by international artists

Buyers will be able to log on and bid for a selection of donated works from renowned international artists. The auction online will be live mid-November and will run until December. A list of art works will be available shortly.
