Applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and an enhanced DBS will be required for the successful candidate.*

### Application Form

Applications will only be accepted from candidates completing the enclosed Application Form in full. CV's will not be accepted in substitution for completed Application Forms in the absence of good reason.

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see job description for the post.

We will seek references on shortlisted candidates and may approach previous employers for information to verify particular experience or qualifications, before interview.

If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although it may where appropriate answer not applicable if your duties have not brought you into contact with children or young persons.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected and possible referral to the police and/or the Independent Safeguarding Authority.
