

## IT NETWORK ENGINEER

**Full Time, Permanent**  
**Required from May 2025**

**Salary: £45,000 - £50,000 per annum depending on qualifications and experience**

This is an exciting opportunity for an experienced IT Network Engineer to join our IT department.

The post holder will be responsible for playing a crucial role in the development of the IT Systems and services of the whole School. Under the direction of the Head of IT (Strategy and Projects), to ensure secure, technically robust and high performing IT systems and services.

As a network specialist, the role will be primarily focused around managing and maintaining our network infrastructure. The post holder will ensure the stability, integrity, and efficient operation of the wired and wireless network. The post holder will act as an escalation point for the IT technicians and Systems Engineer on network related issues. Close collaboration and with other members of the department will be vital to ensure issues are rectified as effectively and efficiently as possible.

The ideal candidate will be a graduate, with a relevant degree or technical qualifications such as CCNA or CCNP, with previous experience in delivering IT solutions in an enterprise environment and administering an enterprise Wi-Fi environment. Previous experience working in IT in an educational environment would be desirable but is not essential.
