

SIXTH FORM ENRICHMENT PROGRAMME

SKILLS FOR LIFE

All Year 12 spend one period a week in the 'Skills for Life' programme.

This is a carousel featuring:

- Thinking Skills (an in-house course on argument, effective reasoning, and logical flaws and fallacies)

Plus two options chosen from:

- An introduction to executive coaching
- MOOCs (Massive Open Online Courses)
- First Aid in the workplace (leading to certification on successful completion)
- Financial Literacy
- Touch typing

CO-EDUCATIONAL ENRICHMENT PROGRAMME

In alliance with Dulwich College and Sydenham High School, this programme takes place once a week in the Autumn and Spring terms. You will choose two 10-week courses from a vast array covering STEM, Literature, Humanities, Social Sciences and community projects.

SIXTH FORM SOCIETIES

Once a week you will attend a society with the aim of deepening your academic knowledge in an area in which you may wish to study or work after the Sixth Form; this year we are offering the following societies:

- Architectural Society
- Art History Society
- Chemistry Society
- Classics Society
- Computing Society
- Drama Society
- Economics Society
- Geography Society
- History & Current Affairs Society
- Law Society
- Literary Society
- Medical Society
- Music Society
- Physics Society
- Politics & Philosophy Society
- Theology Society
